

YOGESH

VIDEO EDITOR

Bhilai-Durg | 9300950137 | yogeshbanjare1307@gmail.com

SUMMARY

Creative and detail-oriented Video Editor & Videographer with hands-on experience in producing impactful visual content for events, organizations, and digital platforms. Currently working with TEDxBITD 2025, capturing and editing engaging event videos. Previously contributed at TechnoHub BITD, enhancing media presence through professional video editing. Also worked with Shambhavi Creation, India's first e-commerce platform for selling Bastar Dhokra handmade crafts, where I created promotional and product videos to highlight traditional artistry. Skilled in storytelling, video production, and post-production editing, with a passion for delivering high-quality visual content that connects with audiences.

PROFESSIONAL EXPERIENCE

Videographer s Video Editor – TEDxBITD 2025

- Filming and editing talks, performances, and promotional content for TEDxBITD events.
- Ensuring high-quality storytelling through creative cinematography and post-production.
- Collaborating with the media and event teams to deliver impactful visual content.

Cinematography Head – TechnoHub BITD

As Cinematography Head at TechnoHub BITD, led the visual and creative direction of all media projects. Managed camera, lighting, and post-production teams to deliver high-quality visual content. Enhanced storytelling through innovative filming techniques and strong team collaboration.

Videographer s Content Creator – Shambhavi Creation

- Produced promotional videos for India's first e-commerce platform dedicated to Bastar Dhokra art.
 - Shot and edited product showcase videos highlighting handmade crafts.
 - Contributed to brand storytelling by creating culturally rich and visually appealing media content.
-
